## SHOWER DESCRIPTIONS:

Model 500 - One Shower and one foot wash head (See page 18)

Model 525 - Foot Tower - one head only (Shown)

Model 550 - One Shower and one foot wash head with attached ADA drinking fountain (See page 20)

Model 565 - ADA Shower with two shower heads, one foot wash and two grab bars. Shower heads are metered and foot wash is self closing. (See page 19)

Model 575 - Back to Back shower and foot wash heads (See page 20)

Model 580 - One Shower and one foot wash head with attached ADA trough style drinking fountain (See page 20)

Model 590 - Four shower heads and one foot wash head (See page 19)

Unless otherwise noted the showers come standard with quick closing valves. Optional slow closing Metered Valves are available on all eight inch and above diameter showers. This option often required the push button position to change. Please call for drawings and to request a quote. 800-552-6331

## 500 SERIES OPTIONS

The options shown on this page are available on all of the 500 series pedestal showers shown on pages 18 to 20. Multiple options may be ordered with each shower. Please specify the option when requesting a quote or placing an order. Options are added at an additional cost to customer.
