**BURNS HARBOR** COLLECTION

\$843

BH11221 ▼

# *BURNS HARBOR*

The simple, clean lines of the Burns Harbor collection enable these benches to blend seamlessly with a variety of environments. For seats, choose a faux-wood finish to lend a traditional appearance, or select a powder-coated horizontal slat finish for a sleek look. Frames are offered in an array of powder-coating options, which means you can tailor Burns Harbor pieces to perfectly complement their setting.
