**OXFORD** COLLECTION

\$1,100

OX1112C ▼

# OXFORD

Designed by John Caldwell Design, the breathtaking curvature and vertical lines of the Oxford collection recall the majesty of a cascading wave. Even while seated on an Oxford bench, everything in the line makes one think it's in a constant flowing state. And, just like our Ashley collection, everything in our Oxford line is made entirely from aluminum, meaning it's completely protected from rust and corrosion.
